

FEBRUARY EDITION

VISION YACHTS NEWSLETTER

WELCOME TO VISION'S FEBRUARY NEWSLETTER - SETTING SAIL INTO 2026

What's inside this edition?

- As we move confidently into 2026, Vision Yachts continues to build momentum, celebrating new launches, production progress, exciting past and upcoming events, and opportunities to experience our catamarans firsthand around the world.
- We celebrate the successful launch of our first Vision catamaran of 2026, Colibri, an exciting start to the beginning of the year as our production schedule unfolds.
- Production of the highly anticipated Vision 484 is in full swing, with both Hull #1 and Hull #2 making great progress as we prepare for an exciting launch at the end of 2026.
- A special Vision Party brought together owners, partners, and friends to celebrate Sailaway Catamarans' 30th Vision launch alongside the first launch of the year, a memorable evening celebrating Vision and its community.
- We take a look at Vision Yachts showcasing at the Miami International Boat Show where we got to showcase our Vision 444 ES on an international stage and connect with sailors and future owners at one of the world's premier boating events.
- Discover the upcoming international boat shows where you can step aboard a Vision catamaran and meet the team.
- Experience the difference firsthand. Learn where you can schedule a sea trial and explore the comfort, capability, and performance of a Vision Yachts catamaran.

VISION 444 ES - COLIBRI
OUR FIRST LAUNCH OF 2026

We're proud to share that we've just launched our first boat for the year - *Colibri*. Congratulations to her new owners and to our Vision team. 2026 is set to be even bigger as we plan to launch **11 new Vision yachts**, including our first Vision 484 model.

A Toast to Our Vision Community

One of the best parts of Vision is seeing our Vision community come together. Our East Coast dealers, Sail Away Catamarans, hosted a wonderful Vision Party, bringing together owners, the Vision Yachts team, family and friends for an fun-filled evening celebrating their 30th Vision launch and the first launch of the year.

Moments like these remind us that Vision Yachts is about more than the boats we build, it's about the people who bring them to life and the community we share along the way.

BEHIND-THE-SCENES
VISION 484 PRODUCTION

As we move further into 2026, the production of the Vision 484 is in full swing. Hull #1 has reached an exciting milestone, with the hulls now successfully joined. Meanwhile, Hull #2 is currently in hull lay-up and steadily taking shape. Stay tuned as the Vision 484 progresses toward her anticipated launch at the end of 2026.

VISION YACHTS AT THE Miami International Boat Show

This year's Miami Boat Show was a fantastic success for Vision Yachts, proudly represented by our East Coast U.S. dealers, Sail Away Catamarans and joined by our infamous Vision CEO, James Turner. The docks were buzzing with excitement as visitors toured *Unlimited*, our Vision 444 ES model on display.

A special thank you to Fred Rio for having your boat on display and for joining us at the show!

It was wonderful to meet so many new faces and to see the growing enthusiasm for Vision Yachts each year. A heartfelt thank you to everyone who stopped by, your passion for sailing and support for Vision Yachts continue to inspire us!
